Dear Parents and EPCS Staff,

Welcome back! We are excited to reintroduce The Community Outreach Program (COP), which began in 2017 to support our community and national causes.

Our "Dress Down with a Purpose" days are a key part of this program. These themed days not only allow students to dress casually but also teach them the importance of giving back. The funds raised through your generous **\$3.00 donations** go directly to local and national charities, making a real difference in the lives of others.

We have more themed days planned this year and appreciate your continued support. Please note that if a student dresses down without donating, parents will need to bring their uniform to school. Donations should be given to the homeroom teacher.

You can also make a one-time payment of **\$60 for the entire year**. Please make checks payable to: EPCS and write "Community Outreach Program" on the memo.

Thank you for helping us teach our students the value of compassion and community service. We look forward to another fantastic year!

Best regards,

Romaine Hassanah and Liliana Oliveira
Community Outreach Program Coordinators

Questions? E-mail us at: coreach@englewoodcharter.org

Please ensure your donations are always in an envelope labeled with the following information:

Example:

Child's Name: Emily Johnson

Teacher's Name & Grade: Mrs. Smith 3rd Grade
