

Use of Cell Phones/Smart Watches

Students are not permitted to have phones or smart watches out during the school day, *even as they are exiting the building, or attending after school activities*. Any devices must be powered off, in the backpack, in the student's locker. If the device is found, it should be taken from the student, and returned to the student at the end of the day with a phone call home to parents to inform them of what happened. If it happens a second time, the parent/guardian will be required to pick up the phone from school.
